

YOU ARE AMAZING

THANK YOU FOR YOUR RECENT DONATION TO OCEAN PROTECTION

Because of support from divers and ocean lovers like you Project AWARE has secured some amazing ocean victories:

- Removed and reported over 500k pieces of trash and debris from underwater environments of 58 countries.
- Mobilized 5,804 ocean advocates to send 28,804 letters urging support for sharks and rays.
- Influenced the listing of 21 sharks and rays at the 11th meeting of the Conference of the Parties to the Convention on Migratory Species #CMSCoP11.
- Encouraged CMS Member Nations to commit to international cooperation needed to tackle the marine debris crisis.

Our movement for ocean protection starts with you. Your generous donation supports Project AWARE's ongoing work to mobilize conservation efforts locally, regionally and at a global level.

Thank you for all you do for the ocean.

Sincerely
